145. Crash Description/Narrative

The driver of vehicle #2 stated she was traveling south on Rt. 88 W., near the intersection with Allaire Ave., slowing down due to a vehicle making a left turn directly in front of her, when vehicle #1 struck her from behind. She advised the vehicle making a left turn in front of her jammed on her breaks causing her to stop suddenly. She stated that vehicle #1 which was directly behind her could not stop in time and struck her rear bumper.

The driver of vehicle #1 stated she was directly behind vehicle #2. She stated vehicle #2 stopped suddenly and as a result she could not stop in time resulting in her striking the rear bumper.

Based on both of the driver's statements as well as observing the damage to both vehicles, it is my determination that vehicle #1 caused the crash by following too closely, especially for the wet road conditions.

Moderate damage to each vehicle. The driver of vehicle #2 complained of back pain and was transported to Ocean Medical Center.
