145. Crash Description/Narrative

As vehicle 1 was backing out of a parking space in the parking lot of 425 Jack Martin Blvd, it collided with vehicle 2 which was parked improperly in the parking spaces opposite from vehicle 1. Driver 1 stated that as he was backing out of the parking spot, he was looking to the right rear of his vehicle for approaching traffic when he collided with vehicle 2. He further stated that he did not see vehicle 2 prior to the crash and also advised that he did not utilize his vehicle's back up camera prior to moving.

While on scene, I spoke with the Ocean Medical Center's Valet parking supervisor and he advised that vehicle 2 was parked by a valet attendant across two parking spaces due to having a full lot at the time they parked vehicle 2. It should be noted that in addition to be parked across two spaces, vehicle 2 was also partially parked in the travel lane due to limited space caused by a semi trailer that was parked across several spaces, to include the spaces vehicle 2 were in. Subsequently, driver 1 was found to be at fault for unsafe backing of his vehicle and vehicle 2 was also partially at fault as it was improperly parked. Both vehicles sustained minor damage and no injuries were reported.
