145. Crash Description/Narrative

Vehicle #2 was traveling in the right lane of Rt. 70 westbound just past Jack Martin Blvd. Vehicle #1 was traveling in the left lane of Rt. 70. Vehicle #1 left his lane of travel and side swiped vehicle #2.

Driver #2 stated that she was in the right lane of Rt. 70 traveling at a low rate of speed because of the ice and snow on the road when she noticed Vehicle #1 approaching fast in the left lane. As Vehicle #1 got closer she believed that he was starting to drift into her lane of travel. She attempted to slow down and move over to the right but was still struck in the side by Vehicle #1.

Driver #1 stated that he was driving in the left lane of Rt. 70 when the vehicle in front of him started to slow to a stop. He attempted to use his brakes but because of the snow and ice he was unable to stop and his vehicle started to move into the right lane and struck Vehicle #2.

After my investigation I have determined that Driver #1 is at fault for the incident.
