145. Crash Description/Narrative

Investigation at the scene revealed: Vehicle 2 was traveling north on Brick Blvd., took the ramp for Cedar Bridge Ave., and was stopped in traffic, in the left lane, for a red traffic signal. Vehicle 1 approached vehicle 2 from the rear. For an unknown reason vehicle 1 did not stop in time, causing the front of vehicle 1 to collide with the rear of vehicle 2. Vehicle 1 then fled the scene east on Cedar Bridge Ave.

The driver of vehicle 2 stated she was stopped on the ramp from Brick Blvd. to Cedar Bridge Ave. in the left lane for a red traffic signal. She was then struck from behind. The driver of vehicle 2 stated while she was trying to figure out what happened she observed the vehicle behind her back up, then turn right on Cedar Bridge Ave. The driver of vehicle 2 stated she believed the suspect vehicle was a black car.

Vehicle 2 was not moved prior to my arrival. The driver of vehicle 2 complained of pain in her right hip, but declined medical attention.
