145. Crash Description/Narrative

Vehicle 1 was pulling into a parking space in the parking lot of Walgreens (1890 RT 88), when it accelerated forward onto the sidewalk and crashed into a Redbox movie rental machine.

Driver 1 stated as she pulled into the parking space she accidentally depressed the accelerator instead of the brake pedal and the vehicle jolted forward onto the sidewalk and crashed into the movie rental machine.

As a result of being struck by Vehicle 1, the REDBOX(A) rental machine's front access door was damaged and partially opened, leaving the DVD's on the inside unsecured. Walgreens management temporarily secured the machine with plastic bags and tape. I contacted Redbox Automated Retail LLC (866)733-2693 and reported the crash and condition of the rental machine. I was advised a service technician would be dispatched immediately, however due to it being a weekend, they were unable to provide an ETA. I provided Walgreens management with this report number to provide it to the Redbox technician if needed.
