145. Crash Description/Narrative

Vehicle two was traveling West on Rt 88 approximately 500 feet East of Old Squan Road. Vehicle one was traveling West on Rt 88 directly behind vehicle two. Vehicle two was following vehicle one too closely, lost traction when the brakes were applied and struck vehicle two in the rear bumper with the front bumper of vehicle one. All occupants of the vehicles advised they are not injured and refused medical care. Driver one advised that today was her first time driving in the rain and her vehicle hydroplaned when she applied the brakes, striking vehicle two. Driver two advised that she was traveling West on Rt 88 when vehicle one struck vehicle two in the rear. Vehicle one sustained no damage as a result of the accident, but did have previous damage to the front bumper. Vehicle two sustained a small puncture and scratches to the rear bumper. After speaking to all involved parties and observing the damage to vehicle two I determined driver one was at fault for the accident, specifically driver one was following too closely for the environmental conditions. Driver one was issued summons E21-001886 for careless driving and E21-001887 for violating the provisional conditions of her license (too many passengers). Driver one was instructed to have someone respond to the scene to pick-up two of her passengers. Both vehicles were driven from the scene.
