145. Crash Description/Narrative

Vehicle 1 was backing out of their parking stall in the parking lot of 1930 Route 88. Vehicle 2 was parked unoccupied in the parking lot of 1930 Route 88. While backing out of the parking stall, the rear of Vehicle 1 struck the rear of Vehicle 2, causing the crash. Vehicle 1 then left the scene prior to my arrival.

I made contact with the Driver of Vehicle 1, via phone, who stated the following: She was in the parking lot of 1930 Route 88 and backed out of her parking spot. It took her multiple attempts to back out of the parking stall since the travel area between parking aisles was "tight" and she does not regularly drive Vehicle 1. She was not aware that she struck Vehicle 2 while backing out of the parking spot so she left the scene. Driver 1 did not report any damage to Vehicle 1.

The owner of Vehicle 2 stated the following: he was in one of the businesses of 1930 Route 88 when the accident happened. A witness advised him of the accident and provided the Registration of Vehicle 1 and sent him a video of the accident. The owner of Vehicle 2 showed me the video of the accident and the vehicle in the crash matched the registration of Vehicle 1. The owner of Vehicle 2 advised there was pre-existing damage to the rear of Vehicle 2, but new damage was caused towards the left corner of the bumper, where fresh blue paint transfer was

145 Crash Description

observed.

Vehicle 1 was moved prior to my arrival. Vehicle 2 was still in the parking spot. There was no reported injuries on scene. Both Vehicles left the scene with their respected drivers. Toms River Police Department responded to the residence of Driver 1 and confirmed there was no damage to Vehicle 1.
