145. Crash Description/Narrative

On scene investigation revealed that vehicle 2 was to enter the roadway to Rt 88 from Frederico's Pizza (2134 Rt 88). Driver 2 was stopped in the parking lot waiting to make a left turn when an unknown vehicle struck her vehicle. Driver 2 provided the following information:

Driver 2 stated she was waiting to exit the parking lot of 2134 Rt 88 when a unknown vehicle drove behind her and struck the rear passenger side bumper. She then stopped her vehicle and got out to assess the damage. She provided information on a vehicle and possible vehicle registration however, upon further investigation that vehicle had no damage that would be consistent to the collision. On scene, I observed silver paint transfer indicating it had to come from a silver vehicle. The vehicle she suspected was dark grey. Driver 2 did not report any injuries on scene. Vehicle 2 was driven from the scene.

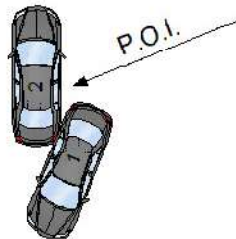

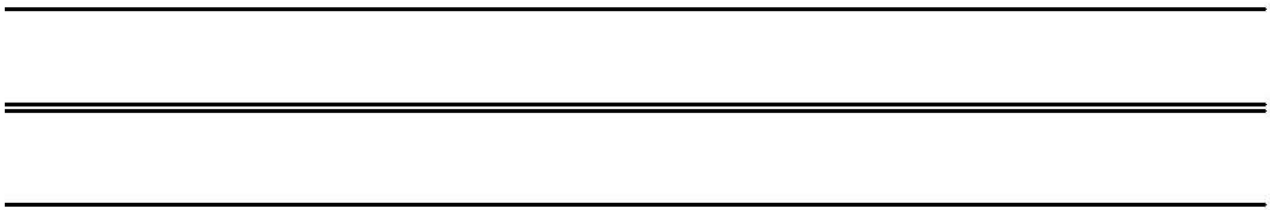

Investigation concluded that the suspect vehicle left in an unknown direction down Rt 88 eastbound. There were no witnesses on scene to assist in identifying the suspect vehicle. There were also no security cameras that would have captured the incident in the plaza. BWC was activated for the investigation. See diagram for further details.
