145. Crash Description/Narrative

Investigation at the scene indicated the following: Vehicle 1 was legally parked in the parking lot at the Quick Stop located at 2110 Route 88. Vehicle 2 traveled westbound to exit the parking lot of the Quick Stop. Vehicle 1 backed out of the parking space and stopped. The driver of vehicle 2 continued going westbound in the parking lot. As vehicle 2 was passing vehicle 1, the driver of vehicle 1 shifted the vehicle into drive and struck vehicle 2.

I spoke to driver 1 at the scene. He stated he had backed out and stopped because another driver had blow his horn at him. He had a few words with the other driver and was not paying attention to the traffic in the parking lot. He went to drive away from the scene and struck the vehicle.

I spoke to Driver 2 at the scene. She stated she was attempting to leave the parking lot and was waiting for the vehicle to move out of the parking lot. When the vehicle stopped and she heard an argument she decided to continue leaving the area and was struck.

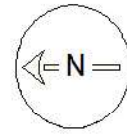

Based on statements made and damage to the vehicles, it was determined driver 1 was at fault.
