145. Crash Description/Narrative

On arrival I observed a single car crash in front of 2104 Route 88. Vehicle #1 had disabling damage to the front of the vehicle which was caused from striking a Verizon Pole (unknown number).

Driver #1 explained he was waiting in traffic on Route 88 eastbound. Another vehicle let Driver #1 proceed into the parking lot. As he was pulling in the unlit parking lot he crashed into the Verizon pole. The Verizon pole is located in between pole number bt283bk and 54383 HBVL. The driver was not injured and refused medical attention. D and L towing, who was towing for surfside towing, arrived on scene and took the vehicle.

On scene I observed the entire area being poorly light causing Driver #1 not to see the pole.
