145. Crash Description/Narrative

At the BP gas station, 2081 Rt 88, Vehicle 01 pulled away traveling east with the hose/nozzle from Pump #3 still connected causing the safety coupling to separate from the hose connected to the pump.

Driver of Vehicle 01 stated she asked for \$15.00 of fuel and requesting \$5.00 back a twenty dollar bill. Driver of Vehicle 01 she was given \$5.00 change from the attendant and attempted to pull away as she thought the attendant was done hearing the nozzle click.

The attendant stated he gave the driver of Vehicle 01 her \$5.00 change and went to finish serving another vehicle. When he finished with the other vehicle he returned to Vehicle 01 and was watching the pump continue pumping gas when Vehicle 01 started to pull away breaking the hose. The attendant believes Driver 01 heard the hose click off from the other vehicle thinking it was her vehicle.

The Attendant/employee is Jake Scheideler.

My investigation revealed Driver of Vehicle 01 should had confirmed the hose was disconnected prior to pulling
