145. Crash Description/Narrative

Crash investigation reveals a one vehicle hit and run crash into a fixed object. Vehicle 1, described only as a large truck (possibly a furniture delivery truck), was traveling north on Laurelton Street. As V1 was passing 1694 Forge Pond Road, the roof of V1 struck two utility power lines that were attached to 1694 Forge Pond Road.

As a result of V1 crashing into the utility lines, the power/utility lines attached from utility pole#JC4090BK to 1694 Forge Pond Road were ripped from the side of 1694 Forge Pond Road. Based on home surveillance video from the resident at 1710 Laurelton Street, V1 is seen crashing into said utility lines and ripping it down from 1694 Forge Pond Road. Based on the video, it appears the driver of V1 was unaware he/she had struck said lines.

No injuries were reported. The identity of the driver of V1 is still unknown at the time of this report. Based on the video, V1 is a white colored delivery type truck, possibly a furniture delivery truck. A check of the area for V1 yielded negative results. JCP&L responded to the scene to make necessary repairs.
