145. Crash Description/Narrative

On September 3, 2021 I responded to the area of Route 88 and Folsom Drive for a crash. Upon my arrival, I observed vehicle #1 half way in the road with minor rear damage and minor passenger side damage. Vehicle #2 was east of vehicle #1 with disabling rear damage and minor front passenger side damage. Vehicle number #3 had disabling front end damage.

Driver #1 explained she was attempting to make a U-turn in a parking lot when she realized she could not make the turn. She then began to back up to turn around to go westbound on Route 88. As she was waiting she stated she noticed vehicle #3 stopping for her so she backed up into Route 88. Driver #1 explained she did not observed vehicle #2 causing her make vehicle #2 hit his brakes and swerve out of her way.

Driver #2 explained he observed Vehicle #1 backing out of the parking lot so he began to slow down. As he got closer he had to hit his brakes hard to avoid crashing into her. As he slammed on the brakes vehicle #3 crashed into the rear of him causing vehicle #1 to crash into the passenger side of his vehicle.

145 Crash Description

Driver #3 explained she was traveling eastbound when vehicle #2 slammed on his brakes. She attempted to stop but failed to stop in time causing her to crash into the rear of vehicle #2.

Brick Police EMS arrived on the scene and treated the driver of vehicle #3 and all of Vehicle #2 for neck pain.

All refused further treatment. Vehicle #2 was towed by Leopre's towing Company. Vehicle #3 was towed by Legacy towing Company.

After my investigation, I found Driver #1 at fault for the crash. Driver #1 improperly back out of the parking lot without observing all traffic causing the crash. Driver #1 was issued two summons: 39:4-127 improper backing (E21 006027) and 39:4-97 careless driving (E21 006028)
