145. Crash Description/Narrative

One vehicle crash occurred on 9/5/2021 at approximately 1824 hours on Route 88 westbound near the intersection with Jack Martin Blvd. Ptl. Barlowski #284 and I responded to the scene. My body worn camera was activated.

On arrival we located a red Dodge Ram (Vehicle #1 - NJ Registration XGCB87) facing eastbound in the westbound lane, disabled with severe front end damage. The occupants, two Hispanic males, were out of the vehicle on the side of the road. Neither vehicle occupant spoke fluent English.

Driver of vehicle #1 was bleeding from his head and right shoulder. We could detect the odor of an alcoholic beverage emanating from driver of vehicle #1. Driver of vehicle #1 advised he was traveling westbound on Route 88 and lost control of his vehicle due to the rain and wet road condition. Driver of vehicle #1 advised in broken English that he had consumed approximately 5-6 beers.

I observed damage to a tree off of the shoulder near St Raphael's Church (1520 Route 88) on Route 88 westbound and observed severe damage to the lower front left of vehicle #1.
