145. Crash Description/Narrative

Vehicle #1 collided with Vehicle #2 (parked) in a same direction sideswipe crash in the parking lot of 1608 RT 88.

Driver #1 advised he attempted to make a right turn into open parking space next to Vehicle #2. Driver #1 advised as he attempted to park he struck Vehicle #2 along the rear passengers side with the front left drivers side of his Vehicle. Vehicle #1 had minor drivers side front end damage.

Driver of Vehicle #2 stated she was in the drivers seat of her vehicle which was parked in a parking space when Vehicle #1 struck her vehicle. Vehicle #2 had minor passenger rear end damage.

Based on my observations and statements made by both parties I found the Driver of Vehicle #1 at fault for the crash.

While speaking with the Driver of Vehicle #1 he advised he felt disoriented. As I spoke to him further he advised he was at the facility for a medical treatment but currently felt dizzy and unable to drive. EMS responded to the scene to assess Driver #1 who was ultimately transported to Ocean Medical Center for further evaluation.
