145. Crash Description/Narrative

A motor vehicle crash occurred on Route 70 approximately 100 feet east of Route 88.

The driver of vehicle 1 stated that he was in the right lane on Route 70 attempting to turn onto Route 88. He was stopped at the light behind vehicle 2. The light at the intersection turned green and he began to let off the brake. He did not realize vehicle 2 was a manual transmission. Because of the manual transmission, it took longer for vehicle 2 to accelerate. He could not stop in time to avoid the vehicle and struck the rear of vehicle 2.

Vehicle 1 sustained moderate damage to the front grill and license plate. The vehicle was deemed disabled by the driver and was towed from the scene through a private tow company.

The driver of vehicle 2 stated she was first at the light in the right lane on Route 70. She was stopped at the light preparing to turn onto Route 88. Once the light turned green she began to accelerate. Being that her vehicle is a manual transmission, it took the vehicle longer to accelerate. Vehicle 1 then struck the rear spare tire on her vehicle.
