145. Crash Description/Narrative

Vehicle 2 stopped in the right lane of Van Zile Road northbound, just prior to the intersection of Route 70.

Vehicle 1 was stopped directly behind Vehicle 2.

Driver 1 reported the following: She stated she was stopped for the traffic light directly behind Vehicle 2.

As she was sitting there, out of the corner of her eye, she saw the traffic in the right lane starting to move forward. Believing all traffic was moving, she began to accelerate and struck the rear of Vehicle 2.

Driver 2 stated she was waiting for the light to change when she was struck from behind.

Driver 1 was found to be at fault for driver inattention. She did not see that the green left turn arrow had illuminated, allowing the traffic in the left lane to proceed, while the traffic light for straight ahead traffic was still red.
