145. Crash Description/Narrative

Upon arrival, the registered owner of vehicle #2, Alexis Cody stated while she was exiting 7/11 convenience store (2075 Rt 88) she observed a black SUV side swipe the right rear fender of parked vehicle #2 and continue to leave the area toward Midstream's Rd. She was able to provide a description of the driver of vehicle #1 as a white female in her early 20's with brown hair and the front seat passenger as a white male. Ms. Cody provided a NJ registration (64MCT) which came back to a black SUV fitting the description to the possible suspect vehicle.

I responded to the address the suspect vehicle was registered to (102 Dennis Drive Brick, NJ) and observed the suspect vehicle in the driveway. I made contact with a white female fitting the description given by Ms. Cody at the scene. I asked the female, later identified as, Annabella Katz if she recently visited the 7/11 convenience store on Route 88 which she replied, yes. I asked her if she was operating the black Hyundai Santa Fe in the driveway which she replied yes I was, why are you asking. I had her walk with me to vehicle #1 and while inspecting the vehicle for any damage consistent with the crash, I observed minor scratches on the front left bumper consistent with the damage that would be left from side swiping vehicle #2. Ms. Katz was unaware of the damage and stated she does not recall side swiping vehicle #2 as she backed out of the parking spot directly to the right of vehicle #2.

New Jersey Police Crash Investigation Report
Motor Vehicle Crash DescriptionPolice Dept: Brick Police Code: 01Station: Case No: 2020-00025431

145 Crash Description

Investigation determined vehicle #2 was legally parked prior to vehicle #1 parking in the spot directly to the right. When driver #1 proceeded to back out of the parking spot, the front left bumper of vehicle #1 side swiped the rear right fender of vehicle #2 causing minor scratches and paint exchange to both vehicles. Driver #1 was found to be at fault for careless driving and unsafe backing.
