145. Crash Description/Narrative

Vehicle #1 was traveling East on Route 70, in right lane. Vehicle #2 was also traveling East on Route 70, in the center lane. The front passenger side of Vehicle #2 struck the front driver door and front quarter panel of Vehicle #1 during an unsafe lane change, West of Olden Street. Vehicle #2 continued on Route 70 eastbound and left the area.

The operator of Vehicle #1 stated she was traveling East on Route 70 in the far right lane when Vehicle #2 struck her vehicle. The operator stated she was driving straight ahead and Vehicle #2 changed lanes, impacting her vehicle. She stated the vehicle continued driving on Route 70 while she pulled to the side of the road.

The operator of Vehicle #1 described the suspect vehicle as a newer model dark colored Honda CR-V bearing New Jersey registration. She also described the driver as a Hispanic older male subject with a mustache.

No injuries were reported and Vehicle #1 was moved out of the roadway prior to my arrival. I observed minor damage to the driver side front and rear doors, as well as the front quarter panel.
