145. Crash Description/Narrative

My investigation revealed the following:

Vehicle 1 backed out of a marked parking space in front of 2004 Route 88. Vehicle 2 was parked and unoccupied in front of the same building. After backing out of the parking space vehicle 1 pulled forward but did not have enough clearance and subsequently struck vehicle 2.

Driver 1 stated she had backed out of a marked parking space in front of 2004 Route 88. She then pulled forward in an attempt to exit the parking lot. She did not realized she did not have enough clearance and subsequently struck vehicle 2.

Based upon the above circumstances I find driver 1 to be at fault for the crash.
