145. Crash Description/Narrative

Vehicle 1 in the left lane of Post Road northbound, turning left onto Route 88 westbound. Vehicle 2 in the right lane of Post Road northbound, turning left onto Route 88 westbound, directly alongside Vehicle 1.

Driver 2 stated as she was making her left turn, Vehicle 1 entered her lane. Driver 2 stated as she sounded her horn, she was struck in the driver's side door by the front end of Vehicle 1.

Driver 1 stated he turned his steering wheel to the left to start his turn when he felt the rear begin to slide. Driver 1 stated although he had the wheel turned, his truck continued to go straight and he felt the rear of his truck start to slide. Driver 1 stated he was attempting to brake when the front passenger side of his vehicle struck the driver's side door of Vehicle 2.

Driver 1 stated something did not feel right about the steering when he was making his turn. I had Driver 1 turn the wheel to the right and take his foot off the brake. Vehicle 1 began to roll forward, but would not turn in the direction the wheels were facing and instead pushed the front tires across the pavement.

It is believed the cause of the accident was due to some mechanical problem with Vehicle 1.
