145. Crash Description/Narrative

Vehicle 1 was attempting to make a left hand (north bound) turn from in front of 1872 Rt. 88 and on to parking row 3 when it collided with a yellow safety bollard located within the blue painted handicapped parking area. Driver 1 stated that she was attempting to turn onto the parking with the intention of parking in the large handicapped parking space located at the end of the row closest to the store front. She further stated that while making the turn, she had turned to sharp and collided with the yellow bollard that she did not see until the impact. It should be noted that the yellow bollard is highly visible as it is brightly painted and has a stop sign, for row 3 traffic, affixed to it's top. Driver 1 was found to be at fault for the crash as she had failed to execute the turn while ensuring there was enough space between her vehicle and the bollard. Minor damage was observed to vehicle 1's drivers door and left fender and no injuries were reported.
