145. Crash Description/Narrative

Vehicle 1 was traveling westbound on State Highway 70, approaching the red traffic signal at the intersection of Van Zile Road in the left lane. Vehicle 2 was traveling northbound on Van Zile Road crossing State Highway 70 on a green traffic signal. Vehicle 3 was stopped at the red traffic signal on State Highway 70 eastbound in the left lane, at the intersection of Van Zile Road.

As Vehicle 2 was crossing through the intersection on a green traffic signal, it was struck by Vehicle 1 after it had entered the intersection on a red signal. After striking Vehicle 2, Vehicle 1 ran off the roadway and over the curbing at the northwest corner of the intersection. It then ran over a fire hydrant owned by the Brick Township Municipal Utility Authority, ripping it out of the ground. Vehicle 1 then came to rest on the corner of the intersection on top of the fire hydrant.

After being struck by Vehicle 1, Vehicle 2 was spun 180 degrees counter-clockwise, and sent into the impact attenuator/end treatment for the Jersey barrier (The Jersey barrier separates the eastbound and westbound lanes of Highway 70). Vehicle 2 also carried enough momentum to partially spin off the divider and strike Vehicle 3 as it was stopped in traffic for the red traffic signal, causing damage to Vehicle 3.

New Jersey Police Crash Investigation Report
Motor Vehicle Crash DescriptionPolice Dept: Brick Police Code: 01Station: — Case No: 2019-00057094

145 Crash Description

Each driver was interviewed following the collision. The driver of Vehicle 1 stated that she could not remember what color the traffic signal was as she was approaching the intersection.

The driver of Vehicle 2 stated that as his light turned green and he started to proceed across the intersection, he looked to his right and observed Vehicle 1 approaching. He recalled thinking to himself, "This car is going to slam on its brakes when they see the red light.". He tried to avoid Vehicle 1 after it failed to stop, but was unable to avoid the collision.

The driver of Vehicle 3 (which was stopped in traffic on the eastbound side of Highway 70) stated that the signal for Highway 70 was red, with 100 percent certainty.

Vehicles 1 and 2 both sustained major damage disabling both vehicles. Multiple airbag deployments occurred in each vehicle. Vehicle 3 did not have airbag deployment.

As a result of the accident, the driver of Vehicle 2 sustained a significant laceration to his head which was bleeding, and possible broken fingers on his left hand. His injuries required him to be transported to Ocean Medical Center by Brick Police Medical Unit 532, where he received treatment. The drivers of Vehicle 1 and Vehicle 3 stated they were uninjured.

Because Vehicles 1 and 2 were inoperable, Vehicle 1 was removed by Joe and Sons Towing. Vehicle 2 was removed by Legacy Towing. Vehicle 3 was able to be driven from the scene.

Because the driver of Vehicle 1 was found to be at fault for causing a crash resulting in property damage and personal injury, she was issued New Jersey Motor Vehicle Summons number 1506-E19-005488 for Failure to Observe a Traffic Control Device (39:4-81) with a mandatory Court appearance date of 09-16-2019 at 0900 hours in Brick Municipal Court.
