144. Crash Diagram 																
145. Crash Description/Narrative Investigation at the scene revealed the following: Driver #4 was stopped in traffic on Rt. 70 eastbound approximately 30 feet west of Jack Martin Boulevard. Vehicle #3 was stopped next to Vehicle #4 in the right travel lane. Vehicle #2 was stopped behind Vehicle #3. Vehicle #1 was approaching Vehicle #2's location, and neglected to stop in time. Vehicle #1 struck the rear of Vehicle #2 with the front of it's vehicle. Vehicle #2 was set in motion due to the collision turning in a clockwise motion, and moving forward. The front left of vehicle #2 struck the right rear of Vehicle #4, and simultaneously struck the left rear of Vehicle #3 with the front right of it's vehicle. After Vehicle #1 struck Vehicle #2 it ran off of the road way to the right, and struck the curb with it's two front tires. Due to Driver #1 not using caution on the roadway, and not allotting enough room between himself and the vehicle's in order to stop he is deemed to be at fault. Driver's #2, #3, and #4 had similar stories that they were stopped in traffic due to an emergency vehicle driving through the intersection. Driver #1 stated he was unable to brake in time, and as a result struck the rear of Vehicle #2. The passenger of Vehicle #2 was transported to the hospital due to his injuries. There were no other reported
