145. Crash Description/Narrative

Investigation revealed vehicle 1 rear ended vehicle 2 in the left lane of Rt 70 approximately 200 feet east of Van Zile Road.

Driver vehicle 1 stated he was slowing in traffic when he accidentally rear ended vehicle 2. Driver one added he should have stopped prior to colliding with vehicle 2 but was unsure why he did not.

Driver vehicle 2 stated he was stopped in traffic for a red signal on Rt 70. While stopped, his vehicle was rear ended by vehicle 1. Passenger vehicle 2 had a complaint of pain in her neck and head. Brick Police EMS responded to the scene and transported passenger vehicle 2 to Ocean Medical Center.

I observed vehicle 1 to have moderate damage to the front bumper and lower grill area. The damage was consistent with the trailer hitch with ball and rear mounted spare tire of vehicle 2. I did not see any visual damage to vehicle 2 at the time of the crash. The trailer hitch and rear mounted spare tire appeared to absorb the impact of the crash.

Through my investigation and statements made on scene I determined vehicle 1 to be at fault for the crash. Driver vehicle 1 did not admit to be distracted by the use of a handheld electronic device but admitted to not being attentive enough to stop prior to colliding with the vehicle stopped in front of him.

Driver vehicle 1 was issued Motor Vehicle Summons 1506-E19-006157 for Careless Driving.
