145. Crash Description/Narrative

Vehicle #1 was traveling westbound in the right lane directly behind Vehicle #2. Vehicle #1 collided with Vehicle #2 in a rear end crash.

Driver of Vehicle #1 stated while behind vehicle #2 he took his eyes off the road to review paperwork. As a result his vehicle collided with Vehicle #2 in a rear end crash. Vehicle #1 sustained front end damage.

Driver of Vehicle #2 stated she was traveling westbound in the right lane on RT 70. Drier #2 stated she slowed down for traffic at the intersection of RT 70 and Van Zile Road. Driver #2 stated as she came to a complete stop Vehicle #1 struck the rear if her vehicle. Vehicle #2 sustained rear end damage. Driver #2 and her passenger both had a complaint of neck pain but refused medical treatment.

Based on my observations and statements made by both parties I found the driver of Vehicle #1 at fault for the crash for following to closely and being distracted while operating the vehicle.
