145. Crash Description/Narrative

The driver of vehicle #2 stated he was traveling westbound on Rt. 70, in the right lane, stopped in traffic, just east of the intersection with Van Zile Rd. He stated that while he was stopped, vehicle #1 struck him from behind.

The driver of vehicle #1 stated she was directly behind vehicle #2. She stated she tried to slow down but slid on the icy/snowy roadway. She stated that she could not stop in time and struck the rear of vehicle #2.

The passenger of vehicle #2 complained of head pain and was evaluated by Brick Police EMS. No other injuries. Moderate damage to both vehicles.

Based on the drivers statements as well as observing the damage to both vehicles, it is my determination that vehicle #1 caused the crash by traveling too fast for the road conditions as well as following too closely.
