145. Crash Description/Narrative

Investigation at the scene indicated the following: Vehicle 1 traveled on Route 70 westbound and used the ramp to Jack Martin Boulevard. Vehicle 1 was stopped at the stop sign waiting to merge onto Jack Martin Boulevard.

Vehicle 2 traveled south bound on Jack Martin Boulevard approaching Route 70. Vehicle 2 entered the right turn lane and had indicated that they would be making a right hand turn. The driver of vehicle 1 thought vehicle 2 was turning onto Falkenberg road and entered the lane of travel. Vehicle 1 hit vehicle 2 which caused minor damage.

I spoke to driver 1 at the scene. She stated she was at the stop sign waiting to turn onto Jack Martin Boulevard.

She stated she thought vehicle 1 was turning right on the street before Route 70 as it had its directional on.

She believed it was safe to enter the lane.

I spoke to driver 2 at the scene. She stated that she was coming home from work on Jack Martin Boulevard and was turning onto Route 70. The vehicle hit her on the right side which caused damage.

Based on damage and statements made, it was determined vehicle 1 was the at fault vehicle.
