145. Crash Description/Narrative

Crash Investigation Reveals: Vehicle #2 was traveling east on Route 88. Vehicle #1 was making a left turn onto Route 88 from the parking lot of 2132 Route 88. Vehicle #1 attempted to make the left turn, however did not have enough time causing vehicle #1's right rear passenger door to come into contact with vehicle #2's front driver side.

Driver #2 stated while traveling east on Route 88, vehicle #1 pulled out in front of her. She applied her brakes however vehicle #1's right rear passenger side came into contact with her front driver side bumper.

Driver #1 stated she looked both ways then completed a left turn from the parking lot onto Route 88 east. While completing the turn she felt an impact from her rear. She observed vehicle #2 who had just collided with her. Driver #1 stated she never observed vehicle #2 coming.

Through observations and statements made on scene, I find driver #1 at fault because driver #2 had the right away. No injuries reported. Vehicle #1 suffered minor damage to the rear passenger door/bumper. Vehicle #2 suffered minor damage to the front passenger door/bumper. Both vehicles were driven off scene by owner.
