145. Crash Description/Narrative

Vehicle #1 was making a left turn onto Route 88 off of Van Zile Road. Vehicle #2 was stopped in traffic on Route 88 at the intersection of Van Zile Road. Vehicle #1 lost control and began sliding on the wet roadway before colliding with the middle driver side of Vehicle #2.

Driver #1 advised that her light turned green and she began to make the left turn onto Route 88. Driver #1 stated that during the turn, her vehicle suddenly began sliding and turning and she lost control which resulted in her colliding with Vehicle #2.

Driver #2 advised that she was stopped at the red light behind several vehicles when she was suddenly struck in the side by Vehicle #1. Driver #2 advised that she watched as Vehicle began sliding and turning into her just prior to the collision.

Based upon my observations, and statements made by both parties, I find the wet road conditions to be the reason for the collision.
