145. Crash Description/Narrative

Vehicle 01 backed out of a parking space (#5 on the southwest side) to the right and struck Vehicle 02 which also backed out of a parking space opposite of Vehicle 01 (#6 on the northeast side).

Driver 01 stated she was backing out of her parking space to the right and did not observe Vehicle 02 when she collided with Vehicle 02 in the center of the lane.

Driver 02 stated she was backing out of a parking space to the left when she felt Vehicle 01 collide with her vehicle.

I was able to review the security video with hospital security showing that Vehicle 02 had backed into the lane of traveling first and was preparing to move forward when struck by Vehicle 01. After viewing the footage I determine Vehicle 1 to be at fault for backing into Vehicle 02.
