145. Crash Description/Narrative

Accident investigation revealed that Vehicle 1 was backing into a parking spot in the parking lot of 2085 Route 88 (Wine World) when it struck vehicle 2. Vehicle 2 was parked in a parking spot and was only occupied by a front right seat passenger who was uninjured. Upon my arrival Vehicle 1 had been moved from the spot of the accident into another parking spot. I observed minor damage to the rear left fender of Vehicle 1 which contained a scratch. Vehicle 2 also had minor damage to the rear left bumper which consisted of a dent and several small scratches.

Driver of vehicle 1 stated that he pulled into the parking lot from Route 88 and then placed his vehicle in reverse to back into a parking spot. While backing up, he dropped his blue tooth device and went to retrieve it. At that time he struck Vehicle 2.

Driver of Vehicle 2 was inside of the store at the time. Vehicle 2 had one passenger in the front right seat who stated that she was sitting in the vehicle when she felt the vehicle shake from the collision.

I find Vehicle 1 at fault for the accident due to unsafe backing and driver inattention. Driver of Vehicle 1 was
