145. Crash Description/Narrative

Vehicle #1 was making a right turn from Rt 88 E/B into the parking lot of the 7-11 Store (2075 Rt 88).

Vehicle #2 had backed out of a parking space in the same lot as Vehicle #1 turned in and the crash occurred.

The driver of Vehicle #1 stated that as she was turning into the lot, Vehicle #2 was backing and that she utilized her horn. She added that Vehicle #2 continued to back into her vehicle.

The driver of Vehicle #2 stated that he had fully backed out of his space and was about to put the vehicle into drive when Vehicle #1 crashed into his rear bumper.

An independent witness stated that he watched as Vehicle #1 pulled into the lot. He added that Vehicle #2 had fully stopped backing when Vehicle #1 crashed into it. I based my determination of fault from the witness statement.

I spoke to a worker at the 7-11 store. They were going to work on seeing if the crash was caught on surveillance footage. I later returned to the store but surveillance was not available.

No injuries were reported on scene.
