145. Crash Description/Narrative

On 05/13/2019, at approximately 1633 hours, I met with Pedestrian #1 at Headquarters who wished to report a motor vehicle accident that occurred last night (05/12/2019) at approximately 2330 hours. Pedestrian #1 stated he was walking in the Walmart parking lot, 1872 Route 88, to return his shopping cart back to the shopping cart corral when he was struck by Vehicle #1. He fell to the ground and Vehicle #1 stopped on location and provided Pedestrian #1 with his drivers license, insurance, and license plate. Driver #1 also provided his phone number. Pedestrian #1 then went to the hospital where he was diagnosed with a left shoulder sprain and a left scapula contusion. Pedestrian #1 provided pictures of the license plate, insurance card, and drivers license for Vehicle #1.

I contacted Driver #1 via telephone and he advised he was driving his vehicle in the Walmart parking lot when he took his eyes off the roadway to look at the new shoes he just purchased. He stated he struck a shopping cart which then struck Pedestrian #1. Driver #1 advised that he offered to call the police to report the accident but Pedestrian #1 did not want him to call.
