145. Crash Description/Narrative

Crash investigation reveals: Vehicle #2 was parked in the last parking space of the row unoccupied at 459 Jack Martin Blvd. As driver #2 returned to her vehicle, she observed damage to her passenger side rear door. Driver #2 does not know who hit her vehicle or how they did it.

The damage to vehicle #2 may have happened when vehicle #1 pulled into the spot causing the front bumper to come into contact with vehicle #2's rear passenger door. There appeared to be denting and scratching however no paint transfer.

Through observations and statements made on scene I find driver #1 at fault for unknown reasons. Driver #1 was not on scene at my arrival and did not report the incident.
