145. Crash Description/Narrative

Both vehicles were traveling in the parking lot of 450 Jack Martin Boulevard. Vehicle 1 was backing out of a parking space when it struck the left side door of Vehicle 2 with its passenger side rear taillight. Vehicle 2 was attempting to back into a parking space when it was struck. Both vehicles received minor damage.

Driver 1 advised that she looked in both directions (left and right) before attempting to back out of the parking space her vehicle was parked in. Driver 1 further advised she did not observe any vehicles traveling in the area that would prevent her from backing out of the parking space. Driver 1 explained her vehicle is equipped with a back up camera and sensors that would of helped her observe vehicles traveling behind her vehicle. Driver 1 further explained she believes Vehicle 2 was trying to use a K-turn maneuver to park in a parking space and caused the accident.

Driver 2 advised she was attempting to back into a parking space and observed Vehicle 1 backing towards her vehicle. Driver 2 further advised she used her vehicle horn to get the attention of Driver 1 to prevent the crash with negative results.

145 Crash Description

Based on my observations and statements made by both drivers, I find Driver 1 at fault for backing unsafely. There were no cameras in the area of the accident.

*Vehicle 1 was a Volkswagen Atlas

**Vehicle 2 was a 2000 Ford Utility Master
