145. Crash Description/Narrative

Crash investigation reveals a two vehicle, same direction (rear-end), hit and run crash. The driver of vehicle 2 was stopped in the far right lane on Jack Martin Blvd. for a red traffic signal awaiting to cross over Route 70. As vehicle 2 was stopped, the driver of vehicle 2 stated the front end of vehicle 1 crashed into the rear of vehicle 2. Following the crash, the driver of vehicle 1 began traveling in reverse to pull away from vehicle 2's bumper.

Due to the location of the crash, the driver of vehicle 2 signaled to the driver of vehicle 1 to pull over into a parking lot once they crossed over Route 70. After both vehicles crossed over Route 70, the driver of vehicle 2 stated he pulled into the first available parking lot. As vehicle 2 was pulling over into said parking lot, the driver of vehicle 2 stated vehicle 1 never turned into the parking lot and continued traveling north on Jack Martin Blvd.. Vehicle 1 was described as a black colored Mazda being driven by a white elderly male subject. The vehicle was described as having two bumper stickers in the middle of the trunk area.

While checking the area for vehicle 1, it was learned that vehicle 1 had been involved in a motor vehicle crash at the intersection of Jack Martin Blvd./Burrsville Road immediately after the vehicle had fled the scene from this

New Jersey Police Crash Investigation Report

Motor Vehicle Crash Description

Police Dept: Brick Police Code: 01Station: — Case No: 2019-00071620

145 Crash Description

hit and run crash. See Case#71612-19. I was unable to speak with the driver of vehicle 1 due to a medical procedure he was having when I attempted to make contact. I spoke with the passenger of vehicle 1, who reported that they had in fact crossed over Route 70 while on Jack Martin Blvd. at the same time frame this hit and run crash occurred. According to the passenger of vehicle 1, she stated her husband, driver of vehicle 1, was very nervous for a medical procedure he was driving to at the time of the crash. The passenger of vehicle 1 stated she didn't remember their vehicle, vehicle 1, crashing into vehicle 2 on Jack Martin Blvd.. Because I was unable to speak with the driver of vehicle 1, it's unknown at this time what contributing circumstance caused the driver of vehicle 1 to crash into the rear of vehicle 2. Furthermore, vehicle 1 did in fact have two small bumper stickers affixed in the middle of the trunk as described by the driver of vehicle 2 and that the driver of vehicle 1 is male subject approximately 76 yoa.

The driver of vehicle 2 reported no injuries at the scene. Vehicle 2 sustained no visible damage and was driven from the scene. No injuries were reported by the driver of vehicle 1. Due to vehicle 1 sustaining significant front end damage at the scene of the second crash, it's unknown how much and/or if any front end damage occurred to vehicle 1 when he crashed into the rear of vehicle 2. The driver of vehicle 1 will be issued motor vehicle summonses for 39:4-97 (1506-E19-6843), 39:4-129B (1506-E19-6844), and 39:4-130 (1506-E19-6845).

The insurance information for vehicle 2 is at follows:

ACE American Insurance Co.

Telephone# 1-800-864-2255

Policy#ISAH25275354

Company Number: 04827
