The driver of vehicle 1 advised she was traveling on Rt 88, merging right onto Burrsville Rd. Driver 1 stated she then collided with the rear of vehicle 2.

The driver of vehicle 2 advised he was traveling northbound on Burrsville Rd when an unknown vehicle in front of him began slowing down. The driver of vehicle 2 further advised he was then struck from the rear of by vehicle 1.

The driver of vehicle 1 is found to be at fault for the collision due to following too closely and driver inattention. Based on the collision location in relevance to vehicle 2 from Larsen St entering the roadway it is deemed to not be a factor. The distance from Larsen St to impact location would have provided ample time for reacting and braking. Driver 1 also advised she had enough time to react and hit her vehicle horn which was activated prior to braking per her statement.
