145 Crash Description/Narrative

9-1-1 caller reported seeing taillights of a vehicle that ran off the roadway into the woods. Upon arrival, responding officers and myself located V1 off the roadway and down an embankment into bushes and small trees. While speaking with D1 the odor of an alcoholic beverage was detected emanating off of D1. Standard Field Sobriety Tests were given. D1 was then placed under arrest for suspected DWI. D1 was unaware how his vehicle ran off the roadway. Boyce's Towing responded to tow and impound V1. D1 was transported to police headquarters and released on summons.

145 Crash Description/Narrative

Vehicle 1 was driving south on Route 79. Driver 1 stated vehicles started to slam on their brakes to stop so she did the same. She advised that vehicle 2 could not stop in time behind her and slammed into her. There were no reported injuries at the time of the crash. Vehicle 1 had damage to the rear bumper but was able to be driven from the scene.

Vehicle 2 was driving south on Route 79. Driver 2 stated that vehicle 1 slammed on her brakes in front of him and he could not stop his truck in time and hit vehicle 1. There were no reported injuries at the time of the crash. Vehicle 2 had damage to the front end and bumper and was towed from the scene by Vinny's towing.

I was able to look at the surveillance from the Fireside Bar and Grill which captured the accident on their cameras. It appeared as if a vehicle was turning into their establishment and the vehicles all began to slam on the brakes and stop rather quickly. Vehicle was not able to stop in time and crashed into the rear end of vehicle 1. A copy of the footage was placed into police evidence.
