145. Crash Description/Narrative

The driver of vehicle #1 stated she was turning left on to Rt 70 eastbound from Van Zile Rd. She stated she had a green light and began turning. She advised that vehicle #2 was turning right on to Rt. 70 eastbound from Van Zile Rd.. She stated that vehicle #2 turned into the left lane striking her vehicle.

The driver of vehicle #2 stated he was in the left lane, traveling east on Rt. 70. He advised that as he approached the intersection with Van Zile Rd., he had a green light. As he passed through the intersection, he stated vehicle #1 made a left turn from Van Zile Rd. through a red light. He stated he swerved into the right lane but vehicle #1 struck the rear driver side of the trailer he was pulling.

Based on both of the drivers statements as well as observing the damage to both vehicles it is my determination that vehicle #1 caused the crash by making an improper left turn.

Moderate damage to vehicle #1 and the trailer to vehicle #2. No injuries reported.

Vehicle #2 trailer information:

Make: CGO

Model: CT7

2016

silver
