145. Crash Description/Narrative

Vehicle 1 was backing out of a parking stall northbound in the parking lot of 459 Jack Martin Blvd. Vehicle 2 was traveling westbound through the access road in the parking lot of 459 Jack Martin Blvd when the left lower rear of Vehicle 1 collided with the left middle of Vehicle 2.

The driver of Vehicle 1 stated she was backing out of a parking stall in the parking lot of 459 Jack Martin Blvd when the left lower rear of her vehicle collided with the left middle of Vehicle 2. Driver 1 explained she look and believed the roadway to be clear.

The driver of Vehicle 2 stated she was traveling southbound on an access road in the parking lot of 459 Jack Martin Blvd when Vehicle 1 pulled out of a parking stall and hit the left middle of Vehicle 2.

Based on my observations and the statements made by all parties involved I determine that Vehicle 1 is at fault for this accident due to driver inattention and unsafe backing.
