145. Crash Description/Narrative

Vehicle 1 traveling westbound in the parking lot of 2112 Route 88. Vehicle 2 legally parked in a parking space of 2112 Route 88, facing northbound.

Owner of Vehicle 2 stated she was inside the Brow & Beauty Bar when she saw her vehicle rock, as if it had been struck. She went out to the parking lot and saw Vehicle 1 with minor damage to the passenger side front. Looking at Vehicle 2, she saw there was also very minor damage. She spoke with Driver 1, who apologized for hitting her vehicle. Driver 1 offered to pay for the damage to her vehicle. She photographed Driver 1's insurance information, license plate and vehicle damage. Driver 1 then left the area. After speaking with her family, they contacted Brick Police. I informed them of their options and they chose to file a police report.

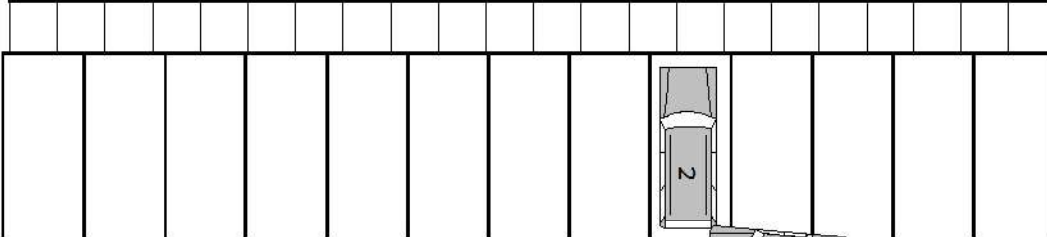

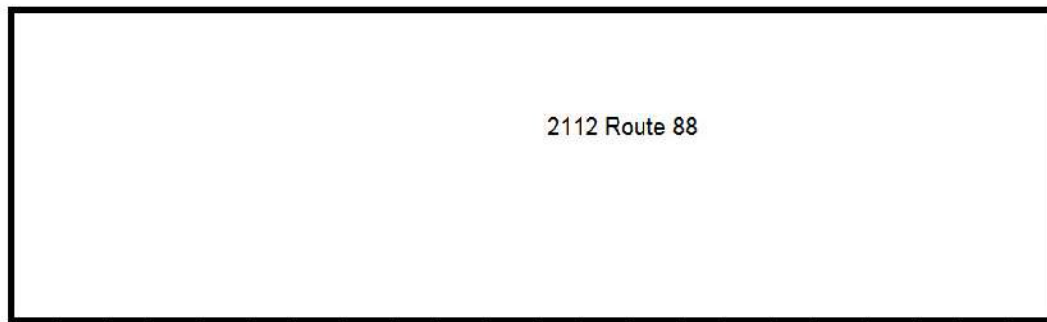

It appears that Driver 1 was traveling westbound in the parking lot and struck the passenger side rear of Vehicle 2 with the passenger side front of Vehicle 1. Driver 1 is found to be at fault for failing to recognize she was too close to Vehicle 2, causing her vehicle to strike Vehicle 2.
