145. Crash Description/Narrative

Vehicle 1 was backing out of a parking space in the parking lot of 475 Jack Martin Blvd. and struck unoccupied parked Vehicle 2 in the front bumper with its rear bumper. Vehicle 1 received no damage. Vehicle 2 received moderate damage to the front bumper and grill area.

Driver 1 stated he was backing out of the parking space and was disturbed by sun glare causing him to not observe the parked vehicle.

Based on my observations and statement made by Driver 1, I find Driver 1 at fault for backing unsafely.
