145. Crash Description/Narrative

Vehicle #1 was traveling eastbound on Olden Street. Vehicle #2 was traveling northbound on State Highway 88.

Vehicle #1 failed to observe the traffic signal at the intersection of State Highway 88 and Olden Street and collided with Vehicle #2 in a right angle crash.

The driver of vehicle #1 stated he was traveling eastbound on Olden Street. He stated he did not observe the traffic signal before entering the intersection. Driver #1 admitted to passing through the intersection with out observing the red traffic signal. Vehicle #1 had moderate damage to the middle of the vehicle and had side airbag deployment.

The driver of Vehicle #2 stated he was traveling northbound on State Highway 88 Street. Driver #2 stated he entered the intersection and observed Vehicle #1 moved through the red traffic signal. Driver #2 advised he was unable to avoid the crash. Vehicle #2 had minor front side damage.

Based on my observations and statements made by both parties I found the driver of Vehicle #1 at fault for the crash for failing to observe the traffic signal.
