145. Crash Description/Narrative

Vehicle #1 was initially stopped waiting to make a left turn out of the church parking lot. Vehicle #2 was traveling South on Van Zile Road. Driver #1 pulled out into traffic and struck the rear driver side of Vehicle #2 with the front passenger side of Vehicle #1.

Driver #1 stated that she looked both ways before pulling out and did not see Vehicle #2 until it was right in front of her. Driver #1 stated Vehicle #2 must have attempted to pull around and in front of her at the last minute.

Driver #2 stated that he was already slowing down in traffic at the red light with several vehicles in front of him when Vehicle #1 suddenly pulled out and struck him in the rear. Passenger #1 provided the same account as Driver #2.

Based upon my observations, and statements made by all parties, I find Driver #1 at fault for failing to yield the right of way to Vehicle #2.
