145. Crash Description/Narrative

Vehicle #1 was driving to the rear of 1930 Route 88, Laurel Square Shopping Center. Driver #1 was looking to the right side of his vehicle checking the rear doors to the plaza when his vehicle struck two large metal racks that were left in the middle of the fire lanes. Damage to vehicle #1 was observed on the front bumper, hood, driver's side fender and both driver's side doors.

Driver #1 stated that his attention was to the right side of the vehicle checking to make sure the rear doors to the plaza were secured. He never observed the metal racks to his left hand side before striking them.

I find the actions of driver #1 to be the cause of the crash. He was not looking in the direction his vehicle was moving prior to the crash. There was no damage to the metal racks, nor were there any markings on them to show who they belong to.
