145. Crash Description/Narrative

Crash occurred on RT 70 eastbound, in the middle lane, approximately 50 feet west of the intersection with RT 88.

Driver #2 stated he was stopped at the red light, in the middle lane, when vehicle #1 struck him from behind.

Driver #1 stated he was stopped in traffic for a red light, behind vehicle #2. He advised that while stopped, his foot slipped off the clutch causing the vehicle lunged forward, subsequently striking the rear of vehicle #2. At the time of the crash, vehicle #1 was towing a 16 ft trailer bearing NJ Reg: TAA60W exp:03/19

Both driver's advised they were not injured.

Based on the driver's statements and evidence on scene, my investigation finds driver #1 at fault for the crash.
