145. Crash Description/Narrative

Vehicle #2 was parked in the parking lot of 2085 Rt 88 (Wine World) unoccupied. Vehicle #1 pulled out of a parking spot and headed South through the parking lot towards the exit at Midstreams Road. The driver side of Vehicle #1 collided with the rear of Vehicle #2, causing minor damage.

The caller who had previously parked Vehicle #2 is employed by Wine World and was inside of the store working at the time of the crash. The caller advised that an unidentified female witness entered the store and told him that a white Chevrolet Avalanche, bearing unknown state registration 928LED (blue and white colored plate), backed out of a parking spot and struck Vehicle #2 in the parking lot before leaving in an unknown direction. No further information was provided for the witness.

The suspect registration 928LED was provided to dispatch. Dispatch checked the registration through several states to include New Jersey, New York, Connecticut, and Washington State. The only state that came back with that registration on file was Connecticut, which was registered to a gray Chevrolet Cruise. This doesn't not match the physical description of Vehicle #1 that was provided by the unknown witness. The video cameras at 2085 Rt 88 (Wine World) do not function properly and did not capture the impact. At this time there is no further
