145. Crash Description/Narrative

Vehicle #1 was traveling in the left lane of Route 70 E/B. Vehicle #2 was traveling in the right lane of Route 70

E/B. Vehicle #1 changed into the right lane and collided with the driver side of Vehicle #2.

Driver of Vehicle #1 stated he made a left turn off of Jack Martin Blvd from the left lane. He put his turn signal on and changed into the right lane while Vehicle #2 was passing him. He stated he hit Vehicle #2's driver side door with the right front of his vehicle.

Driver of Vehicle #2 stated he made a left turn off of Jack Martin Blvd from the right lane. He was traveling in the right lane when Vehicle #1 side swiped his vehicle.

Based off my observations and both drivers statements I find Vehicle #1 at fault for not safely changing lanes.
