145. Crash Description/Narrative

Vehicle #1 was traveling North in traffic on Jack Martin Blvd. A large deer ran out from the opposite side of the roadway and struck the front driver side headlight and quarter panel of Vehicle #1, causing moderate damage.

Driver #1 advised that he was traveling North in between several vehicles, and did not see the deer until it struck the front of his vehicle. The deer was deceased upon my arrival, and it was moved off of the roadway so it could be removed at a later time.
